The Lincoln County Breeders' Association plans to put on a cattle sale at Fayetteville in December.

W. R. Britt, of Henderson county, has been trying out some sweet clover. He finds that it does well on good land.

Some of the corn clubs of Madison county conduct their work as do literary societies. The boys like the scheme.

Corn on the uplands in Gibson county that followed crimson clover is doing well. The right amount of moisture and of nitrogen (the legume, clover, secured that) made the corn.

Sullivan county farmers who are growing red clover are finding that they get good results where they use lime, that the sour soils of their county refuse to give profitable returns.

C. C. Ramsay, of Coffee county, sowed four acres of alfalfa last fall. He followed government instructions. The first cutting this year made 7 tons of fine quality; the second cutting made 9 tons.

The peach trees of Roane county have been receiving very little attention during the past few years. This year interest was aroused by a demonstration in summer pruning held in the county under the supervision of the county agent, J. L. Herron. Since then over 5,000 trees have been pruned.

The eradication of the cattle tick brought freedom to farmers. One Bradley county man puts it this way: "Freeing Bradley county of ticks has brought more money to the county than any other one thing I know of. We had no cattle market, had to beg local dealers to take them. Now we ship cattle all over the United States. We used to sell Jersey cattle for \$20 to \$25 a head; now we ship them and get from \$40 to \$125."

The Strong Withstand the Heat of Summer Better Than the Weak
Old people who are feeble, and younger people who are weak, will be strengthened and enabled to go through the depressing heat of summer by taking regularly Grove's Tasteless Chill Tonic. It purifies and enriches the blood and builds up the whole system. 50c.

Clear Skin Comes From Within

It is foolish to think you can gain a good clear complexion by the use of face powder. Get at the root of the trouble and thoroughly cleanse the system with a treatment of Dr. King's New Life Pills. Gentle and mild in action, do not gripe, yet they relieve the liver by their action on the bowels. Good for young, adults, and aged. Go after a clear complexion to-day. 25c. at your druggist. 9-1

A Hint to Wise Women.

Don't suffer torture when all female troubles will vanish in thin air after using "Feminina." Price 25c and \$1.00.

H. S. Bevan Dead.

H. S. Bevan of the eighth district near Warren, who has been a sufferer from Bright's disease, died Monday of this week at the Gartley-Kamsey hospital in Memphis, his death occurring within a few minutes after his arrival at that institution, where he had been taken in the hope that treatment there would benefit what had proved to be a most aggravated case of the disease. He was buried from St. Thomas Church in Somerville Tuesday, August 15, his remains being laid to rest in the city cemetery.

Mr. Bevan came to this country from England more than twenty years ago, and lived for several years in Somerville, where he was married to Miss Jennie Williams, daughter of General Joseph Williams. To this union was born one child, a son, Emelyn, who is being educated in his father's native country, and who could not, owing to the great distance, be summoned to the funeral. A later marriage was contracted by the deceased with a Miss Morris, also of England, who survive him.

Several years ago Mr. Bevan purchased a home in the Warren vicinity, then known as the Ketchum place, and was making that his home at the time of his death. He was an admirer and noted breeder of fine dogs, his kennels being known throughout the country wherever blooded dogs are appreciated. He was not only a keen sportsman, but was also an enthusiastic breeder of thoroughbred jerseys and saddle horses, along which lines he was a recognized authority.

Among his large circle of friends, the deceased was thoroughly liked and respected. He was a courteous, unassuming gentleman, and those who knew

him best in his adopted country sympathize keenly with his widow and bereaved relatives across the waters. Mr. Bevan at the time of his death was still a subject of the British crown, never having taken out naturalization papers in the United States.

William Glenn O'Rourke

William Glenn O'Rourke, the little six-year-old son of Mr. and Mrs. J. J. O'Rourke, died at the family home just north of Somerville Sunday August 13, after an attack of fever of three weeks' duration. The frail little body was laid to rest in a flower strewn grave in the city cemetery Monday afternoon at 4:00 o'clock, with touching services by Rev. James H. Oakley of Whiteville. Scores of friends of the family attended the burial, and they are the recipients of heartfelt sympathy. Little William was known to almost every person in Somerville, and the bright little fellow was a general favorite.

When Farris' Colic Remedy is used for it does not contain opiates which constipate, but is laxative in its action. It is dropped on the horse's tongue—cures by absorption. We sell it on the money back plan. W. S. Sninault. 9-1

Special Demonstration and Sale

GREAT MAJESTIC RANGES

Many Styles and sizes—With or without legs.

"The Range with a Reputation"

For One Week Only
Commencing Monday, Aug 21.

This \$8.00 set of Granite and Copper Ware FREE

As a special inducement during our demonstration week only, we will give with every Majestic sold, one handsome set of kitchen ware as illustrated. Every piece is the finest of its kind and the entire set cannot be purchased for less than \$8.00. The price of the Majestic remains the same as always and the quality of the stove is the same. This kitchen ware is an out and out present. See it at our store.

Everybody Welcome

Even though you do not want to buy a new range right now, it will be worth your while to attend this demonstration and know all about the Majestic Range. You are placed under no obligation to buy.

During this week we will have a special demonstrator from the Majestic Factory to explain how the Majestic is made and why it is absolutely the best range; why it lasts longer and cuts down repair expenses; why it bakes bread evenly, top, sides and bottom without turning; why it uses so little fuel and saves food waste. He will explain its labor saving construction and why it heats an abundance of water good and hot—a mighty convenient and useful thing to have a big supply of hot water always on hand isn't it.

To buy a range by mail is almost certain to end in disappointment and loss of money. It may be "exactly as represented" yet not be what you thought it was nor what you wanted.

Here you can see every part of the Majestic—you can know what you are getting before you buy. Decide now that you will discontinue using that old, worn-out range. You will save money in fuel, repairs and cooking. Buy a Majestic—the range with 25 years reputation. The demonstrator will answer any questions relating to stoves.
